CHEIFS is a home equity investment agreement (or “HEI”), not a loan. This is not an offer or commitment. CHEIFS is subject to underwriting and approval, including property appraisal(s) and verification of credit history, property condition, title, and property insurance, among other things. The subject property may not be in foreclosure or bankruptcy. Performance of the CHEIFS agreement is secured by a mortgage or trust deed, depending on the state, in no lower than second lien priority. Minimum investment amount is \$70,000. Owner-occupied, 1-2 unit residential properties only. Homeowner to pay an origination fee of 1.5% of the investment payment, plus appraisal, title, recording fees, and other closing costs. Homeowner must occupy and maintain the property and remain current on property insurance, taxes and assessments. Terms may vary and are subject to change. Additional conditions apply. Not available in all states.

Cornerstone acts for itself, as the investor, and not as an agent or broker for the homeowner or any third party. There is no agency relationship between Cornerstone and a homeowner related to CHEIFS agreement.

Cornerstone and its employees do not provide legal, financial or tax advice. Homeowners should always consult with their own financial, tax, or legal, professional for such advice.

# Introducing CHEIFS®

CHEIFS is a non-debt planning solution in which Cornerstone purchases a portion of a homeowner's equity and provides tax-free funds — while the homeowner retains full ownership and control of their home.

CHEIFS is designed to treat home equity as a strategic financial asset, not a loan. Proceeds may be repaid at any time, with no required monthly payments, no income qualification, and a defined maximum cost. The structure allows advisors to model outcomes clearly and integrate home equity into long-term planning without putting homeownership at risk.

The process starts with two key questions: Are eligibility requirements met and how much cash can be made available? From there, the process to obtaining a CHEIFS is as follows:

## Step 1

### Advisor Planning

Work with your clients to identify how CHEIFS can support their financial goals, from retirement to wealth-building strategies. With CHEIFS, you can craft a financial solution that fits your vision.

## Step 2

### Schedule a CHEIFS Consultation

Product education is vital to client understanding and trust. A Cornerstone-led demonstration with your client can be scheduled to review eligibility and a pre-application overview to help confirm the value of CHEIFS.

## Step 3

### Application Process

A Cornerstone Relationship Manager will guide your client through the application process, including collecting essential details, and upon receiving your completed application, provides the initial Disclosure Statement.

## Step 4

### Fulfillment

Cornerstone initiates fulfillment by gathering third-party reports, including credit, appraisal, and title. Upon underwriting approval, a Commitment Letter with an updated Disclosure Statement is provided, specifying final terms.

## Step 5

### Closing and Funding

Cornerstone will schedule a closing and guide your client through the final steps, which includes executing the CHEIFS Agreement and final Disclosure Statement, outlining terms and fees. Funding occurs after the three-day "Cooling Off Period," with an option to cancel at no cost during this time.

By actively engaging in each step, you empower your clients to navigate the CHEIFS process with clarity and confidence, enhancing their financial future while **solidifying your position as their trusted advisor.**
